Communication is respectful, without judgments or undertones. There is no distinction between individuals. Your difficulties, limitations and needs are expressed, listened to and taken into account. You receive recognition and appreciation for your work. You receive meaningful remarks and reviews. Your personal space is respected. Someone looks at you in a way that makes you feel uncomfortable. You repeatedly receive inappropriate compliments. You are forced to perform stereotyped gendered tasks.

Institutional unit to report cases of sexist and sexual violence or discriminations:
